24 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:  
25

26 SECTION 1. DO NOT CODIFY. Legislative findings.

27 The General Assembly finds that:

28 (1) Arkansas is known as the Natural State because of its  
29 natural beauty and abundant outdoor recreational opportunities;

30 (2)(A) Arkansas has been consistently recognized as one of the  
31 top places in the United States to live and in a recent annual study as the  
32 most popular state to move to in 2024;

33 (B) Respondents in the study cited job opportunities and  
34 affordability as the respondents' primary motivators to move to Arkansas;

35 (3) As a state, Arkansas can recruit sought-after amenities,  
36 including major restaurant chains that Arkansans express desire in their

1 communities to promote continued growth and economic development;  
2 (4) Arkansas can recruit and attract hotels, large-event  
3 facilities, and restaurants by eliminating the requirement to establish a  
4 nonprofit corporation to obtain a private club permit; and

5 (5) The requirement to establish a nonprofit corporation to  
6 obtain a private club permit is overly burdensome and results in the  
7 necessity of filing multiple tax returns and other business filings for each  
8 business location in the same corporation.

9  
10 SECTION 2. Arkansas Code § 3-9-202(14), concerning the definition of  
11 "private club", is amended to read as follows:

12 (14)(A)(i) "Private club" means, except as provided in  
13 subdivision (14)(D) of this section, a nonprofit corporation organized and  
14 existing under the laws of this state, no part of the net revenues of which  
15 shall inure directly or indirectly to the benefit of any of its members or  
16 any other individual, except for the payment of bona fide expenses of the  
17 club's operations, and which is conducted for some common recreational,  
18 social, patriotic, political, national, benevolent, athletic, community  
19 hospitality, professional association, entertainment, or other nonprofit  
20 object or purpose other than the consumption of alcoholic beverages.

21 (ii) The nonprofit corporation shall have been in  
22 existence for a period of not less than one (1) year before applying for a  
23 permit, as prescribed in this subchapter.

24 (iii) At the time of application for the permit, the  
25 nonprofit corporation must have not fewer than one hundred (100) members and  
26 at the time of application must own or lease, be the holder of a buy-sell  
27 agreement or offer and acceptance, or have an option to lease a building,  
28 property, or space therein for the reasonable comfort and accommodation of  
29 its members and their families and guests and restrict the use of club  
30 facilities to those persons.

31 (B) For purposes of this subdivision (14), a person shall  
32 be required to become a member of the private club in any wet area of the  
33 state only upon ordering an alcoholic beverage as defined under subdivision  
34 (1) of this section.

35 (C) Furthermore, where the business entity that holds a  
36 private club permit additionally holds a retail beer permit, retail wine for

1 consumption on the premises permit, or cafe or restaurant wine permit, the  
2 hours of operation authorized for the private club shall likewise apply to  
3 all permits of the business entity.

4 (D) A corporation, partnership, individual, or limited  
5 liability company applying for a hotel, restaurant, or large-event facility  
6 private club permit under § 3-9-221(a)(3)(B) is not required to form a

17 facility private club permit, for use in those places where the public retail  
18 sale of intoxicating liquors is not authorized, should be created.

19 (C) These permits are necessary so that persons visiting  
20 hotels, restaurants, or large-event facilities in these areas will be able to  
21 enjoy the amenities that a person might find in other states.

22 (D) This additional permit will enhance the experience of  
23 going to hotels, restaurants, or large-event facilities that may display  
24 items of historic interest, contain extensive art collections, or host  
25 musical or dramatic presentations.
