## For An Act To Be Entitled

9 AN ACT TO AMEND THE LAW CONCERNING THE SUSPENSION OR  
10 REVOCATION OF A DRIVER'S LICENSE FOR THE INABILITY TO  
11 DRIVE; TO LIMIT THE SUSPENSION OR REVOCATION OF A  
12 DRIVER'S LICENSE OR IMPOSITION OF RESTRICTIONS ON A  
13 DRIVER'S LICENSE OF A PERSON WHO HAS SUFFERED A  
14 SEIZURE; AND FOR OTHER PURPOSES.

## Subtitle

17  
18 TO LIMIT THE SUSPENSION OR REVOCATION OF  
19 A DRIVER'S LICENSE OR IMPOSITION OF  
20 RESTRICTIONS ON A DRIVER'S LICENSE OF A  
21 PERSON WHO HAS SUFFERED A SEIZURE.

22  
23 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

24  
25 SECTION 1. DO NOT CODIFY. Legislative findings and intent.

26 (a) The General Assembly finds that:

27 (1) A 2025 position statement from the American Academy of  
28 Neurology endorsed a three-month seizure-free period for drivers with  
29 seizures;

30 (2) Seizures are a common occurrence, affecting between nine  
31 percent (9%) and ten percent (10%) of the population over the course of a  
32 person's lifetime; and

33 (3) Driving is highly regulated for people with epilepsy,  
34 compromising their independence, ability to work, and ability to maintain  
35 relationships, despite the fact that epilepsy-related car crashes constitute  
36 only two-tenths of one percent (0.2%) of car crashes in the United States

1 compared to the four percent (4%) of car crashes related to cardiovascular  
2 disease and thirty percent (30%) of car crashes related to alcohol.

3 (b) The General Assembly intends for this act to align Arkansas  
4 driving laws with the American Academy of Neurology's recommendations and the  
5 majority of other states regarding the operation of a motor vehicle by a  
6 person who has previously suffered a seizure.

7  
8 SECTION 2. Arkansas Code § 27-16-909(b), concerning the suspension or  
9 revocation of a driver's license for the inability to drive, is amended to  
10 add an additional subdivision to read as follows:

11 (b)(1) Upon receipt by the Office of Driver Services of evaluations  
12 required under subsection (a) of this section, the Office of Driver Services  
13 may suspend or revoke the license of the person or may permit the person to  
14 retain his or her license or may issue a license subject to restrictions as  
15 permitted under § 27-16-804.

16 (2) If the Office of Driver Services requires a licensee to  
17 submit to an evaluation under subsection (a) of this section because the  
18 person suffered a seizure, the Office of Driver Services shall not suspend or  
19 revoke the license of the person or impose a restriction on the driver's  
20 license of the person for a period greater than six (6) months from the date  
21 that he or she last experienced a seizure regardless of whether the person is  
22 on medication.
