(c) Persons who sought justice on behalf of the victim or the victim's next of kin should be involved in informing the Governor of any objections to clemency applications.

(d) It is in the best interests of the citizens of the State of Arkansas that the Governor:

(1) Carefully consider the facts and circumstances surrounding a particular crime;

(2) Carefully consider the consequences of granting clemency to a person who was convicted of harming those whom the law seeks to protect; and

(3) Describe in detail to the citizens of the State of Arkansas the specific reasons for the exercise of the power of executive clemency.

SECTION 4. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the granting of clemency is a matter of great public importance; that procedures for the Governor are necessary due to the volume of requests for clemency to ensure that the interested parties are properly informed of the reasons for granting clemency; and that this act is immediately necessary in order to provide a proper procedure for exercising the power of executive clemency as prescribed by the Constitution and the laws of the State of Arkansas. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that a decision of the Arkansas Supreme Court has called into question the authority of the Arkansas Department of Environmental Quality to enforce provisions of hazardous waste management permits; that this authority is necessary for the department to receive delegation from the United States Environmental Protection Agency to administer the federal hazardous waste management permit program; and that this act is immediately necessary to allow the State of Arkansas to continue to administer the federal hazardous waste management permit program, to continue to receive federal grants, and to prevent the State of Arkansas from losing approximately one million dollars ($1,000,000) in federal grant money. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."
