(2)(A) Beginning ~~July 1, 2009~~ July 1, 2023, the contribution for covered members defined in subdivision (b)(1) of this section shall be ~~eight and one-half percent (8.5%)~~ nine and one-half percent (9.5%) of his or her pay.

(B) Beginning ~~July 1, 2009~~ July 1, 2023, the contribution for paid service members not defined in subdivision (b)(1) of this section shall be ~~two and one-half percent (2.5%)~~ three and one-half percent (3.5%) of his or her pay.

SECTION 2. Arkansas Code § 24-10-602(a)(1) and (a)(2), concerning the annuity available to a retired member of the Arkansas Local Police and Fire Retirement System, is amended to read as follows:

(1) Benefit Program 1.

(A) For each year of paid service resulting from employment:

(ii) In a position also covered by Social Security, ~~one and ninety-four hundredths percent (1.94%)~~ two percent (2%) of his or her final average pay.

(b) The provisions of this section that allow a member who retires as provided in § 24-10-607, whose employment was also covered by Social Security, and who is thereby eligible for a temporary annuity shall be applied retroactively to all persons who retired under those circumstances on or after October 1, 1989.

(a) The member's death; or

(b) His or her attainment of Social Security's minimum age for an immediate unreduced retirement benefit.

(iii) Any member who has had a temporary annuity terminated because of an award of disability retirement under the Social Security Act, 42 U.S.C. § 301 et seq., shall have that temporary annuity restored;

(2) Benefit Program 2.

(A) For each year of paid service rendered on or after the election date of the Benefit Program 2 and before the election is rescinded:

(i) In a position also covered by Social Security, ~~two and ninety-four hundredths percent (2.94%)~~ three percent (3%) of the member's final average salary; and

(ii) In a position not covered by Social Security, ~~three and twenty-eight hundredths percent (3.28%)~~ three and thirty-four hundredths percent (3.34%) of the member's final average salary.

(B)(i) For each year of paid service rendered before the election date of the Benefit Program 2 or after the election is rescinded:

(a) In a position also covered by Social Security, ~~one and ninety-four hundredths percent (1.94%)~~ two percent (2%) of the member's final average salary; and

(b) In a position not covered by Social Security, ~~two and ninety-four hundredths percent (2.94%)~~ three percent (3%) of the member's final average salary.

(ii) A member who has paid service rendered before the election date of Benefit Program 2 or after the election is rescinded and subsequently readopted may have the paid service rendered on or after July 28, 1995, treated as

though the paid service had been rendered after the election date of Benefit Program 2 by paying to the system the actuarial cost of the increased benefit by a single contribution or by an agreement to pay an increased rate of contributions if approved by the Board of Trustees of the Arkansas Local Police and Fire Retirement System.

(iii) As used in subdivision (a)(2)(B)(ii) of this section, "actuarial cost" means an amount that is the actuarial equivalent of the value of the credited service to be purchased at the time of the purchase, as determined by the system's actuary.

(C)(i)(a) In addition, if the member is retiring as provided in § 24-10-604, § 24-10-605, § 24-10-606, or § 24-10-607, and if the member's age at retirement is less than Social Security's minimum age for an immediate unreduced retirement benefit, then the member shall receive a temporary annuity equal to one percent (1%) of his or her final average pay for each year of paid service rendered before the election date of Benefit Program 2 and resulting from employment in a position also covered by Social Security.

(b) The provisions of this section that allow a member who retires as provided in § 24-10-607, whose employment was also covered by Social Security, and who is thereby eligible for a temporary annuity shall be applied retroactively to all persons who retired under those circumstances on or after October 1, 1989.

(ii) The temporary annuity shall terminate at the end of the calendar month in which the earlier of the following events occurs:

- (a) The member's death; or

(iii) Any member who has had a temporary annuity terminated because of an award of disability retirement under the Social Security Act, 42 U.S.C. § 301 et seq., shall have that temporary annuity restored;

SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the operations of a state public retirement system are complex; that the Arkansas Local Police and Fire Retirement System must be able to meet the needs of its members as anticipated by the General Assembly; that certain benefit provisions under the laws of the Arkansas Local Police and Fire Retirement System need revision and updating to bring them into conformance with sound public pension policy and actuarial requirements; that the revisions and updates are of great importance to members of the Arkansas Local Police and Fire Retirement System and to other citizens of the State of Arkansas; that an effective date of July 1, 2023, is necessary in order to allow for a structured

and proper administration of the procedures referenced in this act; that the updates and revisions contained in this act are of great importance for actuarial purposes and for the improvement and protection of member benefits under the Arkansas Local Police and Fire Retirement System; and that an effective date of July 1, 2023, is necessary in order to maintain an orderly system of benefits for the members of the Arkansas Local Police and Fire Retirement System. Therefore, an emergency is declared to exist, and this act being necessary for the preservation of the public peace, health, and safety shall become effective on July 1, 2023."

(b) It is the intent of the General Assembly that the sections, subsections, and subdivisions of this act are severable, notwithstanding whether the act, section, sections, subsection, subsections, subdivision, or subdivisions at issue are:

(1) Meant to accomplish a single purpose;

(2) Interrelated; or

(3) Dependent upon each other.

SECTION 5. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that petition canvassers in the State of Arkansas have been submitting unacceptably high rates of facially invalid signatures; that the use of paid canvassers who have not been properly trained poses a threat to the integrity of the initiative process and the citizens of Arkansas' rights under Article 5, § 1 of the Arkansas Constitution; that this act protects voters from

unscrupulous canvassers by requiring the paid canvasser be properly trained. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

- (1) The date of its approval by the Governor;
- (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

Immediately following SECTION 2 of the bill, add an additional section to read as follows:

"SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the most recent national and state fire codes created occupancy and load requirements for storm shelters in educational facilities; that some educational facilities had already secured funding for or started building storm shelters before the new occupancy and load requirements were adopted into the Arkansas Fire Prevention Code; that the occupancy and load requirements for storm shelters under the updated version of the Arkansas Fire Prevention Code create an extreme burden on the educational facilities that had already secured funding and started building storm shelters under the previous version of the Arkansas Fire Prevention Code; that to ensure educational facilities can provide adequate storm shelters while maintaining financial soundness, the occupancy and load requirements for storm shelters for educational facilities should be delayed for those storm shelters that are already in process; and that this act is immediately necessary because educational facilities that have already begun the process to build storm shelters face extreme financial hardship that threatens the public peace and safety if they have to delay building a storm shelter until they have

the funding to complete a storm shelter under the updated version of the Arkansas Fire Prevention Code. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

SECTION 2. Arkansas Code Title 12, Chapter 18, Subchapter 6, is amended to add an additional section to read as follows:

12-18-624. Right of parent, guardian, or custodian to medical records of child
— Definitions.

(a)(1) A court with jurisdiction may order a healthcare institution or practitioner to provide an alleged child victim's medical records to an alleged offender if the alleged offender:

(A) Has been accused of physical abuse; and

(B) Is a parent, putative parent, guardian, or custodian of the alleged child victim.

(2) For purposes of subsection (a)(1) of this section, physical abuse includes alleged physical manifestations of sexual abuse.

(3) A court with jurisdiction may enter a protective order restricting the dissemination of the medical records or from making any use of the medical records other than for purposes of a specific case before the court.

(4) Medical records shall include hospital or clinic records, physicians' records, or other healthcare records, including without limitation:

(A) An admissions form, discharge summary, history and physical, progress notes, physicians' orders, reports of operations, recovery room records, lab reports, consultation reports, medication administration records, nurses' notes, and other reports catalogued and maintained by the medical records department of a hospital, doctor's office, medical clinic, or any other medical facility; and

(B) A paper entry, electronic entry, or image that is:

(ii) Relied upon by a healthcare provider to diagnose or provide treatment or other services to a child.

(6) A healthcare institution or provider that fails to provide medical records under this section pursuant to a valid court order may be held in contempt of court under § 16-10-108.

SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that "Quincy's Law", Acts 2021, No. 976, is a crucial protection for persons who are the subject of an investigation under the Child Maltreatment Act, § 12-18-101 et seq.; that since the enactment of Quincy's Law in 2021, an additional need for further protections under Quincy's Law has been demonstrated, most notably to provide further clarity in child maltreatment investigations involving differential diagnoses that may present as possible child abuse without additional testing that the provisions in this act make available; and that numerous child maltreatment investigations are taking place at any given time, and thus there is an urgent need for the provisions in this act to become effective. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

"course of their employment in intercollegiate athletics.

SECTION 7. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that other intercollegiate athletics need a certain amount of time for recruiting and other states are revising their state's name, image, and likeness rights legislation in an attempt to recruit players for intercollegiate athletics; that for purposes of intercollegiate athletic recruitment, establishing the rules for use of a recruit's name, image, and likeness is important; and that this act is

immediately necessary because recruits for intercollegiate athletics need to know as soon as practicable what the rules for name, image, and likeness rights are with respect to selecting an intercollegiate athletic program to allow the recruit to properly evaluate intercollegiate athletic programs. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

- (1) The date of its approval by the Governor;
- (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or
- (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

"SECTION 1. The Arkansas Constitution is amended to add an additional amendment to read as follows:

§ 1. Title.

This amendment shall be known and may be cited as the "Arkansas Taxpayer Bill of Rights".

§ 2. Budgeting.

(a) When enacting a budget for the state's fiscal year, the General Assembly shall utilize a process that prohibits deficit spending of general revenues by ensuring that the expenditure of general revenues in a fiscal year does not exceed the amount of general revenues collected by the State of Arkansas.

(b) Subsection (a) of this section does not prohibit the General Assembly from budgeting for a fiscal year based on the state's expected collection of general revenues and subsequently adjusting budgeting priorities based upon actual collections of general revenue to ensure that deficit spending does not occur.

§ 3. Increase of state taxes and fees.

(a) For any fiscal year that commences on or after July 1, 2025, a three-fourths (3/4) vote of each house of the General Assembly shall be required for the following:

(1) Establishing a new tax or a new fee;

(2) Increasing the rate of a tax or fee;

(3) Extending an expiring tax or fee; or

(4) An amendment to the law directly causing a gain to the state in net tax revenue or net fee revenue.

(b) The General Assembly may submit a proposal under subdivisions (a)(1)-(4) for the approval of qualified electors voting upon the matter at a general election.

§ 4. Increase in general revenue expenditures.

(a) A budget prepared by the General Assembly for the state's fiscal year shall provide that the increase in expenditures of net general revenue available for

distribution is no greater than three percent (3%) as compared to the expenditures of net general revenue available for distribution in the preceding fiscal year.

(b) The limitation under subsection (a) of this section does not apply to one-time expenditures for the settlement of claims against the state or a state entity.

§ 5. Transfer to Catastrophic Reserve Fund.

(a) As used in this section, "emergency" means an extraordinary event or occurrence that:

(1) Could not have been reasonably foreseen or prevented; and

(2) Requires immediate expenditure to preserve the health, safety, and general welfare of the people of Arkansas.

(b)(1) For any state fiscal year that commences on or after July 1, 2025, before making any transfers to the Budget Stabilization Trust Fund or any refunds as required by § 6 of this amendment, the Treasurer of State shall transfer revenues in excess of the limitation on the increase in expenditures of net general revenue available for distribution under § 4 of this amendment to the Catastrophic Reserve Fund or its successor fund to the extent necessary to ensure that the balance of the Catastrophic Reserve Fund at the end of the fiscal year is an amount equal to twenty percent (20%) of the previous fiscal year's expenditures of net general revenue.

(2) The Treasurer of State shall not be required to transfer any moneys to the Catastrophic Reserve Fund other than the moneys required under subdivision (b)(1) of this section.

(3) The Catastrophic Reserve Fund shall be in addition to, and shall not be used to meet, any other reserve requirement of this constitution or Arkansas law.

(b)(1) Moneys in the Catastrophic Reserve Fund may be expended only for an emergency.

(2)(A) An expenditure from the Catastrophic Reserve Fund may occur upon a three-fourths (3/4) vote of a quorum present of:

(i) Each house of the General Assembly in a regular, fiscal, or extraordinary session; or

(ii) The Legislative Council during the interim.

(B) Approval of an expenditure under subdivision (b)(2)(A) of this section may include an appropriation for the expenditure of funds.

(3) Interest or other income earned on the Catastrophic Reserve Fund shall accrue to the Catastrophic Reserve Fund.

§ 6. Transfer to Budget Stabilization Trust Fund.

(a) For any state fiscal year that commences on or after July 1, 2025, if net general revenue of the state exceeds the limitation on the increase in expenditures

of net general revenue available for distribution under § 4 of this amendment, for that fiscal year the excess shall be utilized or refunded as provided in this section.

(b) The Treasurer of State shall first transfer the excess to the Catastrophic Reserve Fund as necessary under § 5 of this amendment.

(c)(1) The Treasurer of State shall transfer all additional excess revenues to the Budget Stabilization Trust Fund or its successor fund, to the extent necessary to ensure that the balance of the Budget Stabilization Fund at the end of the fiscal year is an amount equal to twenty percent (20%) of the previous fiscal year's expenditures of net general revenue.

(2) The Budget Stabilization Trust Fund may exceed the balance under subdivision (c)(1) of this section but shall not fall below that balance.

(3) Interest or other income earned on the Budget Stabilization Trust Fund shall accrue to the Budget Stabilization Trust Fund.

(d) For any state fiscal year that commences on or after July 1, 2025, if the amount of net general revenue is less than the amount of net general revenue for the prior fiscal year, the Treasurer of State shall transfer money from the Budget Stabilization Trust Fund to the General Revenue Fund Account of the State Apportionment Fund in an amount equal to the difference between the amount of net general revenues for the prior fiscal year and the amount of net general revenues for the fiscal year.

(e)(1) The Budget Stabilization Trust Fund may consist of other funds as provided by law.

(2) The General Assembly may provide by law for additional uses of the Budget Stabilization Trust Fund.

(f) Any moneys that remain after the Treasurer of State has made the transfers required by this section or by law shall be reserved in the current fiscal year and refunded during the next fiscal year through temporary income tax or sales tax rate reductions.

§ 7. Laws necessary to implement amendment.

The General Assembly may enact laws necessary to implement this amendment, including without limitation laws concerning temporary income or sales tax rate reductions authorized under § 6 of this amendment.

SECTION 2. Arkansas Constitution, Article 5, § 38, is repealed.

~~§ 38. Taxes — Increase — Approval by electors.~~

~~§ 2. None of the rates for property, excise, privilege or personal taxes, now levied shall be increased by the General Assembly except after the approval of the qualified electors voting thereon at an election, or in case of emergency, by the votes of three-fourths of the members elected to each House of the General Assembly.~~

SECTION 3. EFFECTIVE DATE. This amendment is effective on and after January 1, 2025.

SECTION 4. BALLOT TITLE AND POPULAR NAME. When this proposed amendment is submitted to the electors of this state on the general election ballot:

(1) The title of this Joint Resolution shall be the ballot title; and

(2) The popular name shall be "A Constitutional Amendment To Create the "Arkansas Taxpayer Bill of Rights"; and to Amend the Arkansas Constitution Concerning the Collection and Expenditure of State Revenue."

SECTION 9. Effective date.

Sections 1 through 3 of this act are effective on and after October 1, 2023.

SECTION 10. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the State of Arkansas is responsible for the appropriate disposal of waste tires and for protecting the public health and our shared environment; that discarded, uncollected, and unprocessed waste tires are breeding habitats for disease-carrying vectors and pose toxic-fume

fire hazards; that it is more appropriate to process waste tires rather than continue to exhaust our landfills and monofills; that the tire processing capacity within the State of Arkansas is at capacity and is not sufficient to address our waste tire responsibility; that transportation of the waste tires to neighboring states is too costly to pursue; and that without increasing the capacity for processing tires within the State of Arkansas, a public health and safety emergency exists. Therefore, an emergency is declared to exist, and Sections 4 through 8 of this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

- (1) The date of its approval by the Governor;
- (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or
- (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

Except as otherwise provided in subsection (c), the

purchaser at the foreclosure sale obtains only the transferable interest, does not thereby become a member, and is subject to § 4-38-502. At any time before foreclosure under this subsection (b), the member or transferee whose transferable interest is subject to a charging order under subsection (a) may extinguish the charging order by satisfying the judgment and filing a certified copy of the satisfaction with the court that issued the charging order. At any time before foreclosure under this subsection (b), a limited liability company or one (1) or more members whose transferable interests are not subject to the charging order may pay to the judgment creditor the full amount due under the judgment and thereby succeed to the rights of the judgment creditor, including the charging order.

(c) On application to a court of competent jurisdiction by a judgment creditor of the sole member of a limited liability company against whose transferable interest a charging order was issued, and a showing to the satisfaction of the court that that distributions under a charging order will not pay the judgment debt within a reasonable time, the court may foreclose the lien and order the sale of the transferable interest. If a court orders foreclosure of a charging order lien against the sole member of a limited liability company:

(1) the court shall confirm the sale;

(2) the purchaser at the sale obtains the member's entire interest, not only the member's transferable interest;

(3) the purchaser thereby becomes a member; and

(4) the person whose interest was subject to the foreclosed charging order is dissociated as a member.

(d) This section:

(ii) The Arkansas Ethics Commission shall adopt rules governing the imposition of such fines in accordance with the provisions of the Arkansas Administrative Procedure Act, § 25-15-201 et seq.

(iii) All moneys received by the Arkansas Ethics Commission in payment of fines shall be deposited into the State Treasury as general revenues;

(C) Order the respondent to file or amend a statutorily required disclosure form; or

(D)(i) Report its finding, along with such information and documents as it deems appropriate, and make recommendations to the proper law enforcement authorities.

(ii) When exercising the authority provided in this subdivision (b)(4), the Arkansas Ethics Commission is not required to make a finding of a violation of the laws under its jurisdiction.

(5)(A)(i) Except as provided in subdivision (b)(5)(A)(iii) of this section, the Arkansas Ethics Commission shall complete its investigation of a complaint filed pursuant to this section and take final action within two hundred ten (210) days of the filing of the complaint.

(ii) Except as provided in subdivision (b)(5)(A)(iii) of this section, if a hearing under subdivision (b)(2) of this section or other hearing of adjudication is conducted, all action on the complaint by the Arkansas Ethics Commission shall be completed within two hundred forty (240) days.

(iii) If the Arkansas Ethics Commission requires additional time to complete its investigation under subdivision (b)(5)(A)(i) of this section or to complete its hearing or action under subdivision (b)(5)(A)(ii) of this section and gives written notice to the person who is under investigation or the subject of the hearing or action, the Arkansas Ethics Commission may extend the time to complete the investigation, hearing, or action by no more than sixty (60) days.

(B) However, such time shall be tolled during the pendency of any civil action, civil appeal, or other judicial proceeding involving those particular Arkansas Ethics Commission proceedings.

(c) Any final action of the Arkansas Ethics Commission under this section shall constitute an adjudication for purposes of judicial review under § 25-15-212.

SECTION 7. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that other intercollegiate athletics need a certain amount of time for recruiting and other states are revising their state's name, image, and likeness rights legislation in an attempt to recruit players for intercollegiate athletics; that for purposes of intercollegiate athletic recruitment, establishing the rules for use of a recruit's name, image, and likeness is important; and that this act is immediately necessary because recruits for intercollegiate athletics need to know as soon as practicable what the rules for name, image, and likeness rights are with respect to selecting an intercollegiate athletic program to allow the recruit to properly evaluate intercollegiate athletic programs. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

- (1) The date of its approval by the Governor;
- (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may **beto** the bill; or
- (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

April 13, 2023

To President Pro Tempore Hester and Speaker Shepherd:

I am returning without my approval **HOUSE BILL NO. 1622**, legislation entitled "To Create the Heart Attack Task Force; and To Provide for the Powers and Duties of the Heart Attack Task Force."

This program is duplicative of pre-existing programs in the State of Arkansas, which exists with the Arkansas STEMI Advisory Council, housed in the Arkansas Department of health. Therefore, I am vetoing this legislation.

To President Pro Tempore Hester and Speaker Shepherd:

Pursuant to Article 6, Section 17 of the Arkansas Constitution, I write to inform you of my disapproval of Section 2, Page 4, Line 21 of **HOUSE BILL NO. 1176**, "An Act for the Department of Corrections-Division of Correction Appropriation for the 2023-2024 Fiscal Year." I have approved the remaining portions of **HOUSE BILL NO. 1176**.

HOUSE BILL NO. 1176 contains an appropriation for "Pandemic Related Expenses" in the amount of \$5,000,000.

During my first days in office, I terminated several existing Executive Orders related to the COVID-19 pandemic. I believe in freedom and personal responsibility - not COVID mandates or shutdowns. The COVID-19 pandemic is over.

To President Pro Tempore Hester and Speaker Shepherd:

I am returning without my approval **HOUSE BILL NO. 1189**, legislation entitled "An Act to Create the Arkansas Behavior Analyst Licensure Act," which seeks to create a state-based Behavior Analyst License.

This bill creates unnecessary and over burdensome regulation to Behavior Analysts that practice in the State of Arkansas. Behavior Analysts are already certified by the Behavior Analyst Certification Board and are subject to regulation. Creating duplicative licenses with new fees attached is additional red tape that does not ensure additional protections for the public. Therefore, I am vetoing this legislation.

Representative Shepherd, Speaker of the House, addressed the House of the Speaker-designate procedure.

Speaker Shepherd:

House Rule 10(a) establishes the process by which the House of Representatives every two years elects a Speaker-designate for the next General Assembly. We are convened in Caucus today for that purpose.

On February 15, 2024, the Parliamentarian notified all members eligible to return for the 95th General Assembly that a meeting would be held on March 14, 2024, for any member interested in pursuing the position of Speaker-designate. That meeting was attended by Representatives Brian Evans, Johnny Rye, and Jack Ladyman. Upon the closing of the filing, the three (3) members that indicated their interest in seeking the position were allowed an opportunity to draw for a ballot position. The results of the drawing were as follows:

Representative Brian Evans, Position #1

Representative Johnny Rye, Position #2

Representative Jack Ladyman, Position #3

Since that meeting, Representative Ladyman withdrew from the Speaker-designate election but remained on the ballot. Each candidate had up to 15 minutes to address the House. The speeches for Representative Evans and Representative Rye were recorded.

Speaker-designate Candidate
Representative Brian Evans

Thank you, Speaker Shepherd and members thank you for the next few minutes for your attention.

Before I get into my comments, I would like to take a point of personal privilege and ask you each to stand and join me in prayer as a united body for the Ladyman family.

I want to personally thank Rep. Ladyman and Rep. Rye for their statesmanship during this campaign. I appreciate their professionalism and their willingness to enter this race and take on the responsibility of Speaker of the House.

SOCRATES told us that “The Secret of Change is to Focus All of Your Energy, Not Fighting the Old, But on Building the New”.

This is a new process for well over 50% of this House body....casting a vote in a contested Speakers race. My prayer has been and continues to be for a full commitment from each of you to focus on building the new.

During my time and your time in the House of Representatives, I have sought to work with you, my fellow colleagues, to provide representation and leadership that the people of Arkansas expect and deserve. Together, I believe we have worked to do that, but there is much more work to be done.

I would not have entered this very important race had I not believed that we could all work together. I have a deep conviction that we can unite and uphold the sanctity and the honor of the House of Representatives. I will work tirelessly to uphold the oath that we take and to stand with each of you as we improve the great state of Arkansas.

How do we accomplish this needed great work?

First, we must BUILD – we must build upon the great foundation provided for us by over 90 General Assemblies before us. Generations of legislators have created a path for us. We don’t have to re-create the vision of our fore fathers. We simply use the gifts provided us. WE MUST BUILD.

Secondly, we must STRENGTHEN – we must take those gifts provided us, the foundation of state government and strengthen our laws for all Arkansans. We are an elected deliberative body. We strengthen our outcomes by an evenly paced, smooth session allowing ourselves the time to deliberate key issues facing Arkansans while being ever respectful of those for whom our legislation affects.

We become stronger by conducting ourselves in a manner which earns the public's trust. We do that through respectful dialogue, thoughtful debate and honorable discourse = all voices must feel like they have been heard. WE MUST BUILD – WE MUST STRENGTHEN.

Finally, we must EMPOWER. We must EMPOWER our colleagues to take bold steps, with honor, as they represent their electors. We will provide opportunities for leaders to rise and make their constituents proud of their work.

BUILD, STRENGTHEN & EMPOWER (the pillars of my platform)

Leaders must never forget their obligation, which is to lead their people. They must show the way, they must create a visible and desirable path—an attainable destination, and then through an act of leadership – provide a gentle but decisive touch that contains honesty, trust, openness, vulnerability, and no less.. skin in the game—

In the book, “Leaders Eat Last”, author Simon Sinek stated -

"the true price of leadership is the willingness to place the needs of others above your own. Great leaders truly care about those they are privileged to lead and understand that the true cost of the leadership privilege comes at the expense of self-interest.

I have promised to lead you with a direction of firmness, fairness and consistency. That promise spreads across this entire body.

Leadership is not a solo effort; it's a team effort. A leader is only as good as the team they lead, and good leaders understand the importance of working together, communicating well, and building strong relationships built upon trust and respect. It is my goal to empower this body of members, to delegate effectively, and create an environment where everyone feels valued and supported.

General Douglas MacArthur once said, “A true leader has the confidence to stand alone, the courage to make tough decisions, and the compassion to listen to the needs of others. He does not set out to be a leader, but becomes one by the equality of his actions and the integrity of his intent.”

Members, I stand here alone in this well with the courage to make tough decisions and the compassion to listen to each of your needs. I pledge to you the equality of my actions and the integrity of my intent.

While I stand here alone in this well, I ask you to join me in this journey so that no one feels alone in their service to their district and to this state.

I humbly ask for your vote to choose me as your Speaker -designate for the 95th General Assembly.

May God bless each of you, this body of the elected, and may God bless the great state of Arkansas.

Speaker-designate Candidate
Representative Johnny Rye

First of all, I want to tell you what a privilege it is to be in this House with all of you to represent every part of our state; it's a wonderful stat; we have wonderful folks. And I just want to tell you it is a privilege it is to be here . Ya'll to make things kinda simple on the front end, half of my life has been devoted towards public office. I was thinking about it last week, thirty-four years and seventeen terms and I love to work to help folks. That is the goal.

And second, the things that are within our state and that the people are asking for; are where we need to deliver and I just want you to know that I'm the person that can do that and the person that actually wants to do that and be a part of you all, not for myself, but for you all to make sure the things that the people of the State of Arkansas are asking for, that we can come through. And I really do believe that.

There was something I saw the other day. I have heard it many many times it's a song by Bob Dylan called "The Times They Are A-Changing." "Come gather 'round people wherever you roam and admit that the waters around you have grown and accept it that soon you'll be drenched to the bone. If your time to you is worth savin' and you better start swimmin' or you'll sink like a stone. For the times they are a-changin'." And they are changing.

They are changing and I need to ask myself what can I do to make this body of what it needs to be which is just one person but one person can do a lot and especially if you take everyone in this House today and we have one hundred folks. Those hundred people represent 30,000 people.

Thirty-thousand people. I know that leadership is so important, but you have the leadership, you have the leadership already, you just need to send the person who is speaking the right message, in that message is the heart of the state, the heart of the state. Now when I think of every member in this House which I know every one of you guys and ladies.

It's a tremendous, tremendous amount of folks that have so many different skills, say well, this person might be good at this and another at this and everyone in this room has something to give to this body and I think in my opinion as we go forward we need to think of everyone in this room when we make a decision.

We need come out front and let everyone know what's going on at all times. I think that's so important especially with you all making the decisions for your people back home. I mean they're going to ask a few questions of why you did this and why you did that, well the reason is this and you give them a good reason for what you have done and you know you can't just say that we leave it here in the well. We can't just say that we leave it here in the well because the well represents one out of a hundred.

Now what I would really, really like to do is have more transparency, more transparency for everything that we're doing. I know the Speaker; transparency. What do we need to do, we need unless, I'll say there's a couple situations that we need to look at that we may need to close the door every now and then, but I will say this much, when there's confidentiality that's between a member and the Speaker, I can see that where that needs to be kept in hush hush your situation if you have a governor, if you have secretary state, that has something they need to speak with the Speaker about, I think that should come in there where we don't always need to broadcast it across the board okay. But I think that we do need to be so much more transparent than what we are.

I'll say this much, whether you are a democrat or whether you're a republican, every single one of you here has something to give. I would really, really like to see us stay away, as much possible, from the things that cause controversy within our body. I appreciate you so much. You cannot imagine how much I respect this situation today. I do need your vote. I'll promise you this, there is no big "I" or little "you". Every single person in this body is of the utmost importance and I'll leave it with you. I appreciate you.

Thank you.

Each member in attendance received a ballot. There were six (6) absentee ballots and one (1) electronic ballot. The votes were counted and monitored by Representative Fortner and Representative Breaux. With 91 votes, Representative Evans was elected Speaker-designate of the 95th General Assembly.

Upon motion of Speaker Shepherd, the House Caucus adjourned at 1:32 p.m.
