(7) Whether the juvenile's waiver of the right to counsel was recorded in audio or video format and the circumstances surrounding the availability or unavailability of the recorded waiver.

(d) No waiver of the right to counsel shall be accepted in any case in which the parent, guardian, or custodian has filed a petition against the juvenile, initiated the filing of a petition against the juvenile, or requested the removal of the juvenile from the home.

(B) After having stopped the juvenile under subdivision (i)(1)(A) of this section and identified himself or herself, the law enforcement officer:

(i) Shall advise the juvenile of the purpose of the stopping; and

(ii) May then demand of the juvenile his or her name, address, and any information the juvenile may have regarding the offense.

(C) A detention under this subsection shall in all cases be reasonable and shall not exceed fifteen (15) minutes, unless the juvenile refuses to give the information under subdivision (i)(1)(B)(ii) of this section, in which case the juvenile, if detained further, shall immediately be brought before any judicial officer or prosecuting attorney to be examined with reference to his or her name, address, or the information the juvenile may have regarding the offense.

(c) The petitioner in a detention hearing under this section shall have the burden of proof by clear and convincing evidence that the restraint on the juvenile's liberty is necessary and that no less restrictive alternative will reduce the risk of flight, or of serious harm to property, or to the physical safety of the juvenile or others.

(d) During the detention hearing under this section, the court shall:

(1) Inform the juvenile in custody:

(A) Of the reasons continued detention is being sought;

(B) The court shall not place preadjudicated juveniles in the custody of the department.

(f)(1) If the juvenile who is being detained under this section is also in the custody of the department pursuant to a family in need of services or dependency-neglect petition and the court does not keep the juvenile in detention, then any issues regarding placement of the juvenile shall be addressed only in the family in need of services or dependency-neglect case and shall not be an issue addressed, nor shall any orders be entered in the delinquency case regarding placement of the juvenile.

(2) Within ten (10) days of the entry of an order in the delinquency case, the prosecuting attorney shall file a copy of the order in the juvenile's dependency-neglect or family in need of services case.

(e)(1) All such reports shall be provided in writing to all parties and counsel at least two (2) days prior to the disposition hearing.

(2) All parties shall be given a fair opportunity to controvert any parts of such reports.

(b) The court shall also specify in its recommendation whether it is requesting a division aftercare plan upon the juvenile's release from the division.

(c) A court shall not commit a juvenile to the division if the juvenile is adjudicated delinquent of only a misdemeanor offense unless the:

(c)(1) Recommendations as to the most appropriate post-commitment placement for the juvenile.

(2) If the juvenile cannot return to the custody of his or her parent, guardian, or custodian because of child maltreatment, which includes the parent's, guardian's, or custodian's refusing to take responsibility for the juvenile, the division shall immediately contact the Office of Chief Counsel of the Department of Human Services.

(3) The Office of Chief Counsel of the Department of Human Services shall petition the committing court to determine the issue of custody of the juvenile;

(d) Post-commitment community-based services that will be offered to the juvenile and to his or her family by the division or the community-based provider, if any;

(e)(1) Aftercare plan, if recommended, including an outline specific terms and conditions required of the juvenile and the community-based provider.

(2) If the juvenile progresses in treatment and an aftercare plan is no longer recommended or the terms of the aftercare plan need to be amended as a result of treatment changes, any change in the terms of the aftercare plan and conditions shall be provided in writing and shall be explained to the juvenile.

(3) The terms and conditions shall be provided also to the prosecuting attorney, the juvenile's attorney, and to the juvenile's legal parent, guardian, or custodian by the division or its designee before the juvenile's release from the division.

(4) All aftercare terms shall be provided to the committing court; and

(2) A copy of the written treatment plan shall be provided and shall be explained to the juvenile.

(3) A copy shall be provided to the prosecutor, the juvenile's attorney, and to the juvenile's legal parent, guardian, or custodian and shall be filed in the court files of any circuit court where a dependency-neglect or family in need of services case concerning that juvenile is pending.

(C) This transfer of custody shall not include placement of adjudicated delinquents into the custody of the Department of Human Services for the purpose of foster care except as under the Child Maltreatment Act, § 12-18-101 et seq.;

(2) Order the juvenile or members of the juvenile's family to submit to physical, psychiatric, or psychological evaluations;

(3) Grant permanent custody to an individual upon proof that the parent or guardian from whom the juvenile has been removed has not complied with the orders of the court and that no further services or periodic reviews are required;

(2) The report shall contain among other information the age, sex, nativity, residence, education, mentality, habits, whether married or single, and employment and income and shall be continued so as to show the condition of the person during the term of his or her probation and the results of probation in the case.

(3) The report shall never be disclosed except as required by law or directed by the court.

(c) The probation officer shall furnish to each person released on probation a written statement of the terms and conditions of probation and shall report to the court any violation or breach of the terms and conditions so imposed.

9-35-427. Proceedings concerning juveniles for whom paternity not established.

(a) Absent orders of a circuit court or another court of competent jurisdiction to the contrary, the biological mother, whether adult or minor, of a juvenile for whom paternity has not been established is deemed to be the natural guardian of that juvenile and is entitled to the care, custody, and control of that juvenile.

(b) The biological mother, the putative father, the juvenile himself or herself, or the Office of Child Support Enforcement may bring an action to establish paternity or support of a juvenile for whom paternity has not been established.

(c)(1) If the juvenile is not born when the parties appear before the court, the court may hear evidence and issue temporary orders and findings pending the birth of the juvenile.

(2) If the final order is contrary to the temporary order, the court shall

render judgment for the amount paid under the temporary order against the petitioner if the petitioner was the biological mother.

(3) If the mother dies before the final order is issued, the action may be revived in the name of the juvenile, and the mother's testimony at the temporary hearing may be introduced in the final hearing.

(d)(1) Upon an adjudication by the court that the putative father is the father of the juvenile, the court shall follow the same guidelines, procedures, and requirements as established by the laws of this state applicable to child support orders and judgments entered upon divorce.

(2) The court may award court costs and attorney's fees.

(e)(1) If paternity has been established in a court of competent jurisdiction, a father may petition the court in the county where the juvenile resides for custody of the juvenile.

(2) The court may award custody to a father who has had paternity established if the court finds by a preponderance of the evidence that:

(A) He is a fit parent to raise the juvenile;

(B) He has assumed his responsibilities toward the juvenile by providing care, supervision, protection, and financial support for the juvenile; and

(C) It is in the best interest of the juvenile to award custody to the father.

(f) At the request of either party in a paternity action, the trial court shall direct that the putative father, biological mother, and juvenile submit to one (1) or more blood tests or other scientific examinations or tests, including deoxyribonucleic acid typing, to:

(1) Determine whether or not the putative father can be excluded as being the father of the juvenile; and

(2) Establish the probability of paternity if the test does not exclude the putative father.

(g) The tests under subsection (f) of this section shall be made by a duly qualified physician or physicians, or by another duly qualified person or persons, not to exceed three (3), to be appointed by the court.

(h)(1) The results of the tests under subsection (f) of this section shall be receivable in evidence.

(ii) If either party shall desire to question the expert, the party shall have the expert subpoenaed within a reasonable time before trial.

(B) If the results of the paternity tests establish a ninety-five percent (95%) or more probability of inclusion that the putative father is the biological father of the juvenile and after corroborating testimony of the mother in regard to access during the probable period of conception, this shall constitute a prima facie case of establishment of paternity and the burden of proof shall shift to the putative father to rebut the proof.

(3) The experts shall be subject to cross-examination by both parties after the court has caused them to disclose their findings.

(i) When the court orders the blood tests to be taken and one (1) of the parties refuses to submit to the test, that fact shall be disclosed upon the trial unless good cause is shown to the contrary.

(j) The costs of the tests and witness fees under this section shall be taxed by the court as other costs in the case.

(k) When it is relevant to the prosecution or the defense in a paternity action, blood tests that exclude third parties as the father of the juvenile shall be the same as set out in subsections (f) and (g) of this section.

(l) The refusal of a party to submit to a genetic or other ordered test is admissible at a hearing to determine paternity only as to the credibility of the party.

(m) If a male witness offers testimony indicating that his act of intercourse with the mother may have resulted in the conception of the juvenile, the court may require the witness to submit to genetic or other tests to determine whether he is the juvenile's father.

#### 9-35-428. Appeals.

(a) All appeals from juvenile cases shall be made to the Supreme Court or to the Court of Appeals in the time and manner provided for appeals in the Arkansas Rules of Appellate Procedure.

(a)(1) After an adjudication of delinquency, the court may place a juvenile on probation. (2) The court shall notify the Division of Youth Services in its commitment order of the order of probation including the juvenile's compliance with the division's aftercare plan, if provided in the treatment plan.

(b) Any violation of a condition of probation may be reported to the prosecuting attorney, who may initiate a petition in the court for revocation of probation. A petition for revocation of probation shall contain specific factual allegations constituting each violation of a condition of probation.

(c) The petition alleging violation of a condition of probation and seeking revocation of probation shall be served upon the juvenile, his or her attorney, and his or her parent, guardian, or custodian.

(d) A revocation hearing shall be set within a reasonable time after the filing of the petition, or within fourteen (14) days if the juvenile has been detained as a result of the filing of the petition for revocation.

(e) If the court finds by a preponderance of the evidence that the juvenile violated the terms and conditions of probation, the court may:

(1) Extend probation;

(2) Impose additional conditions of probation; or

(3) Make any disposition that could have been made at the time probation was imposed under § 9-35-423.

(f)(1) Nonpayment of restitution, fines, or court costs may constitute a violation of probation, unless the juvenile shows that his or her default was not attributable to a purposeful refusal to obey the sentence of the court or was not due to a failure on his or her part to make a good faith effort to obtain the funds required for payment.

(2) In determining whether to revoke probation, the court shall consider the juvenile's employment status, earning ability, financial resources, the willfulness of the juvenile's failure to pay, and any other special circumstances that may have a bearing on the juvenile's ability to pay.

(3) If the court determines that the default in payment of a fine, costs, or restitution is excusable under subdivision (f)(1) of this section, the court may enter an order allowing the juvenile additional time for payment, reducing the amount of each installment, or revoking the fine, costs, or restitution or unpaid portion thereof in whole or in part.

9-35-431. Compliance with federal acts.

(f)(1) The court shall make written findings on all the factors under subsection (e) of this section.

(2) Upon a finding by clear and convincing evidence that a juvenile should or should not be required to register as a sex offender, the court shall enter its order.

(2) Section 1-2-107 shall not apply.

SECTION 67. DO NOT CODIFY. Incorporation of legislation into recodified Arkansas Juvenile Code and related amendments.

(a) For purposes of incorporation into the recodified Arkansas Juvenile Code created by this act and related amendments to the Arkansas Code made in connection with the recodification of the Arkansas Juvenile Code, all references in the acts passed at the regular session of the Ninety-Fifth General Assembly to the Arkansas Juvenile Code of 1989 or to provisions of the Arkansas Code amended by this act in connection with the recodification of the Arkansas Juvenile Code shall be deemed to refer to the applicable or corresponding provisions contained in the recodified Arkansas Juvenile Code and related amendments to the Arkansas Code made in connection with the recodification of the Arkansas Juvenile Code.

(b) The Bureau of Legislative Research, while assisting the Arkansas Code Revision Commission with the commission's powers and duties, shall:

(1) Incorporate acts passed in the regular session of the Ninety-Fifth General Assembly amending the Arkansas Juvenile Code of 1989 or to provisions of the Arkansas Code amended by this act in connection with the recodification of the Arkansas Juvenile Code into the appropriate provisions of the Arkansas Code so long as those revisions do not result in a change in the substance or meaning of a provision of the act; and

(2) Make technical changes to the Arkansas Code necessary to implement this act, including without limitation changes to citations in the Arkansas Code referencing provisions of Arkansas law amended by this act.

SECTION 68. DO NOT CODIFY. Technical revisions to Code of Arkansas Rules.

(a) The General Assembly finds that, as a result of the recodification of the Arkansas Juvenile Code and other amendments to the Arkansas Code under this act, multiple statutory references to the Arkansas Juvenile Code or other provisions of Arkansas law in the Code of Arkansas Rules will be incorrect and require revision to reflect the changes implemented by this act.

(b) It is the intent of the General Assembly that these provisions of the Code of Arkansas Rules be updated by the Bureau of Legislative Research as part of its maintenance of the Code of Arkansas Rules.

(c) The bureau shall update statutory references to the Arkansas Juvenile Code of 1989 or other provisions of Arkansas law in the Code of Arkansas Rules to reflect the proper citations under this act.

(d) Any person or state entity identifying one (1) or more citations contained in the Code of Arkansas Rules that require revision to implement this act may notify the Director of the Bureau of Legislative Research or his or her designee of the citations at issue.

SECTION 69. DO NOT CODIFY. Correction of technical errors related to implementation of recodification of the Arkansas Juvenile Code.

(a)(1) The General Assembly finds that:

(A) The implementation of this act involves a multitude of changes to existing Arkansas law;

(B) Many of the changes implemented by this act are highly technical and require careful study of the purpose and context of each Arkansas Code section, with the need for some of the changes not becoming apparent until after the implementation of this act;

(C) When implementing revisions as large and comprehensive as the changes under this act, it is inevitable that certain sections of the Arkansas Code requiring technical changes to follow the intent of this act will be either omitted or amended in a manner that is later found to be erroneous and unintentional;

(D) It is likewise inevitable that other acts enacted by the Ninety-Fifth General Assembly will not take into account the changes in this act, resulting in technical inconsistencies between newly passed laws; and

(E) If the correct statutory change to remedy an unintentional error or an inconsistency between this act and another act of the Ninety-Fifth General Assembly is readily apparent and consistent with the intent of this act, the unintentional error or inconsistency should be corrected as part of the codification process due to the technical nature of the unintentional error or inconsistency.

(2) It is the intent of the General Assembly to empower the Arkansas Code Revision Commission to correct technical errors identified in the Arkansas Code during the implementation of this act to allow this act to be fully implemented.

(b)(1)(A) Any person or state entity identifying one (1) or more sections of the Arkansas Code that require revision to implement the intent of this act may notify the Director of the Bureau of Legislative Research or his or her designee of the section or sections at issue.

(B) If the Bureau of Legislative Research, while assisting the commission with the commission's powers and duties, becomes aware of one (1) or more sections of the Arkansas Code that require revision to implement the intent of this act for which it appears that the bureau and the commission do not have authority to make the necessary revision under § 1-2-303(d), the bureau may notify the commission of the section or sections at issue.

(2) If the commission determines that the revision necessary to one (1) or more sections of the Arkansas Code under subdivision (b)(1) of this section is technical in nature, germane to the intent of this act, and consistent with this act's policy and purposes, the commission may make the revision to the Arkansas Code.

(3) The commission shall notify the publisher of the Arkansas Code of a revision to the Arkansas Code under subdivision (b)(2) of this section as soon as possible so that the revision may be reflected in the official hard copy version of the Arkansas Code and the official electronic version of the Arkansas Code.

(4)(A) Except as provided in subdivision (b)(4)(B) of this section, when the commission approves a revision to the Arkansas Code under subdivision (b)(2) of this section, the commission shall notify the following of the revision within thirty (30) days:

(i) The Speaker of the House of Representatives;

(ii) The President Pro Tempore of the Senate; and

(iii) The Legislative Council.

(B) The commission is not required to make a notification under subdivision (b)(4)(A) of this section if the revision is made under § 1-2-303(d).

(c) The authority granted to the commission under this section is supplemental to the commission's authority under § 1-2-303.

(d) This section shall expire on December 31, 2026."

Sections 1 and 2 of this act shall become effective only if HB1810 of the Ninety-Fifth General Assembly is enacted by the General Assembly and becomes an act.

SECTION 4. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the merger of the Arkansas School for the Blind and Arkansas School for the Deaf under HB1810 of the Ninety-Fifth General Assembly cannot occur during the middle of a school year; that if HB1810 of the Ninety-Fifth General Assembly did go into effect during the middle of a school year, there would be significant disruptions in funding and confusion among administration, staff, students, and parents of students; and that this act is immediately necessary to ensure that the necessary changes in implementing the merger of the Arkansas School for the Blind and Arkansas School for the Deaf under HB1810 of the Ninety-Fifth General Assembly are made consistent throughout the Arkansas Code and at the same time that HB1810 of the Ninety-Fifth General Assembly goes into effect before the upcoming 2026 fiscal year. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

- (1) The date of its approval by the Governor;
- (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or
- (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

~~(b)(1)(A) If a member dies and is not being paid on that date by his or her employer due solely to illness incurred before he or she left the payroll and the death occurs within one (1) year of the last payroll, the member shall be considered, for purposes of this section, to have died as an active member if all other necessary~~

provisions of this section are met.

~~(B) To compute benefits provided by this section, the deceased member's salary at the time of death shall be his or her salary for the year immediately preceding the cessation of his or her pay.~~

~~(2)(A) If an active member with five (5) or more years of actual service does not have credited service for the year immediately preceding death due to illness which eventually leads to his or her death or due to his or her employer's removing the member from the payroll because of temporary economic conditions of the employer or weather conditions, the active member shall be considered, only for eligibility purposes of the section, to have credited service for the year preceding death.~~

~~(B) Benefits shall be paid according to the salary earned during the year preceding death.~~

~~(c)(1) The deceased member's surviving spouse who was married to the member for at least six (6) months immediately preceding the member's death shall receive an annuity computed in the same manner in all respects as if the member had:~~

~~(A) Retired on the date of his or her death with entitlement to an annuity provided for in § 24-6-406;~~

~~(B) Elected the Option B75 survivor annuity provided for in § 24-6-408; and~~

~~(C) Designated his or her spouse as joint beneficiary.~~

~~(2)(A) If the deceased member has satisfied the age and service requirement provided for in § 24-6-404 or had acquired twenty (20) years' actual service, then the spousal annuity shall be payable for life.~~

~~(B)(i) If the member had acquired fifteen (15) years' actual service, but had not attained sixty-five (65) years of age, the spousal annuity shall commence at the later of either fifty (50) years of age or his or her age at his or her death and shall be payable until the earlier of his or her remarriage or death.~~

~~(ii) Otherwise, the spousal annuity shall commence at the later of either sixty-two (62) years of age or his or her age at his or her death and shall be payable until the earlier of either his or her remarriage or death.~~

~~(3) The spousal annuity shall not be less than ten percent (10%) of the deceased member's covered compensation at the time of death.~~

~~(4) For as long as the surviving spouse has in his or her care any of the deceased member's dependent children who receive a benefit provided for in this section, there shall be payable to him or her a spousal annuity which shall not be less than ten percent (10%) of the deceased member's compensation at the time of death.~~

~~(d)(1) The deceased member's dependent child or dependent children shall each receive an annuity of the greater of either:~~

~~(A) Ten percent (10%) of the member's covered compensation at the time of death; or~~

~~(B) An equal share of one hundred fifty dollars (\$150) monthly.~~

~~(2) If there are three (3) or more dependent children, each dependent child shall receive as an annuity an equal share of the greater of:~~

~~(A) Either twenty-five percent (25%) of the member's covered compensation; or~~

~~(B) One hundred fifty dollars (\$150) monthly.~~

~~(3)(A) A child is considered a dependent child as used in subdivision (d)(1) of this section and for purposes of receiving a survivor's annuity until the child's death, marriage, or attainment of twenty-three (23) years of age, whichever occurs first.~~

~~(B) The twenty-three-year maximum age shall be extended for any child who has been deemed physically or mentally incompetent by an Arkansas court of competent jurisdiction or by the Board of Trustees of the State Police Retirement System for as long as the incompetency exists.~~

~~(4) Once a child ceases to be a dependent child, his or her annuity shall terminate, and there shall be a redetermination of the amounts payable to any remaining dependent children.~~

~~(e)(1) If at the time of the member's death there is neither a spouse nor a dependent child, each dependent parent shall receive an allowance of the greater of either ten percent (10%) of the deceased member's covered compensation or an equal share of one hundred fifty dollars (\$150) monthly.~~

~~(2) A dependent parent eligible for a survivor benefit under this section shall have been claimed as dependent upon the deceased member's or former member's federal tax return for not less than one (1) year immediately preceding the member's death.~~

~~(f)(1) If no annuity can become payable to a dependent child due to the member's death, the surviving spouse or dependent parents may elect to receive a refund of the member's or former member's accumulated contributions as provided in § 24-6-222 in lieu of any benefits which could become payable under this plan if the:~~

~~(A) Surviving spouse or dependent parents are the only persons who will be eligible for monthly benefits; and~~

~~(B) Surviving spouse or dependent parents are also the designated beneficiaries of the deceased member.~~

~~(2) The option to choose a refund of the deceased member's contribution shall also be afforded to any spouse or dependent parent qualified under this section whose eligibility for the benefit occurred before the passage of this chapter and who could not exercise that option.~~

~~(3) A refund of the deceased member's accumulated contributions made to the surviving spouse or dependent parents under this subsection precludes any right or future claim to monthly retirement benefits due to the death of the member.~~

~~(g)(1) In the event all the annuities provided for in this section payable on account of the member's death terminate before there has been paid an aggregate amount equal to his or her accumulated contributions standing to his or her credit in the member's deposit account at the time of his or her death, the difference between the accumulated contributions and the aggregate amount of annuity payments shall be paid to such person as he or she shall have nominated by written designation duly executed and filed with the system.~~

~~(2) If there is no designated person surviving a termination, the difference shall be paid to the member's estate.~~

~~(h)(1) A surviving spouse of a deceased member whose benefits were terminated due to remarriage under the provisions of this section shall be entitled to a reinstatement of benefits upon the death of any subsequent spouse.~~

~~(2) The reinstated benefits shall cease immediately upon the subsequent remarriage or death of the surviving spouse of the deceased member.~~

~~(i)(1) If the member is killed while in the official line of duty and the surviving spouse is eligible for a deferred benefit under this section, the surviving spouse may elect to receive a reduced benefit beginning immediately.~~

~~(2) The reduction of the benefit otherwise defined in this section shall be:~~

"SECTION 5. Arkansas Code Title 21, Chapter 8, is amended to add an additional subchapter to read as follows:

Subchapter 11 — Disclosure by Representatives of a Non-United States Entity or a Non-United States-supported Political Organization

21-8-1101. Legislative findings.

The General Assembly finds that:

(1) The voters, citizens, and policymakers of this state are entitled to transparency in the political and propaganda activities of organizations that may be controlled by or under the influence of foreign countries hostile to the interests of this state and of the United States;

(2) In an increasingly globalized world, determining whether an organization's political and propaganda activities are funded by hostile foreign interests is often difficult; and

(3) Legislation is needed to ensure the transparency necessary to allow voters, citizens, and policymakers to evaluate whether political and propaganda activities are funded by potentially hostile foreign actors.

21-8-1102. Definitions.

As used in this subchapter:

(1) "Hostile foreign nation" means the:

- (A) People's Republic of China;
- (B) Russian Federation;
- (C) Democratic People's Republic of Korea; or
- (D) Islamic Republic of Iran;

(2) "Non-United States entity" means:

- (A) A government of a foreign country, a political party of a foreign country, or any member of a political party of a foreign country;
- (B) A nonresident alien of a foreign country;
- (C) A partnership, association, corporation, organization, or other combination of persons organized under the law of or having its principal place of business in a foreign country; or
- (D) A domestic partnership, association, corporation, organization, or other combination of persons that is at least twenty percent (20%) beneficially owned by:

- (i) A foreign government;
- (ii) A nonresident alien of a foreign country; or
- (iii) An entity organized under the laws of or having its principal place of business in a foreign country;

(3) "Non-United States-supported political organization" means a political party or a domestic partnership, association, corporation, organization, or any other combination of persons that has, within the past five (5) calendar years, received money or other things of value from a non-United States entity or a representative of a non-United States entity and that engages in political activity;

(4) "Political activity" means an activity that is performed to influence an agency or public official of this state, a local government entity within this state, or the public within this state, with reference to:

- (A) Formulating, adopting, or changing the policies or laws of this state; or
- (B) Electing or opposing a candidate for local or state public office, not including campaign donations; and

(5) "Representative of a non-United States entity" means:

- (A) A person whose actions are financed in whole or in part by a non-United States entity; and
- (B) A person who engages in political activity.

21-8-1103. Transparency in representation of non-United States entities.

(a)(1) Except as otherwise provided in this subchapter, a person shall not act

as a representative of a non-United States entity unless the person has filed a true and complete registration statement and supplements with the Secretary of State as required by this subchapter.

(2) Except as otherwise provided in this section, a person who becomes a representative of a non-United States entity shall file a registration statement under oath with the Secretary of State within ten (10) days of the person's becoming a representative of a non-United States entity.

(3) The obligation of a representative of a non-United States entity to file a registration statement, after the tenth day of becoming a representative of a non-United States entity, shall continue from day to day, and termination of status as a representative of a non-United States entity shall not relieve the representative of a non-United States entity from the obligation to file a registration statement for the period during which he or she was a representative of a non-United States entity.

(b) The registration statement required under this section shall include the following:

(1) The registrant's:

(A) Name;

(B) Principal business address;

(C) Other business addresses in the United States or elsewhere; and

(D) Residence addresses, if any;

(2) A comprehensive statement of the nature of the registrant's business;

(3)(A) A statement of the nature of the work of each non-United States entity for which the registrant is acting, assuming, or purporting to act or has agreed to act, and the character of the business or other activities of each non-United States entity.

(B) If the non-United States entity is not a natural person, the registration statement shall also detail the degree to which the non-United States entity is supervised, directed, owned, controlled, financed, or subsidized in whole or in part by any:

(i) Government of a foreign country or foreign political party; or

(ii) Other non-United States entity; and

(4) Any other statements, information, or documents that the Secretary of State may require.

(c) A registered representative of a non-United States entity under this subchapter shall update the registration statement required under this section no less

frequently than quarterly.

21-8-1104. Transparency in non-United States-supported political organizations.

(a) No later than January 31, 2026, and each following year, each non-United States-supported political organization shall register with the Secretary of State and provide the following information:

(1) The name of the non-United States-supported political organization, its business address, and upon request the names, titles, and addresses of all officers and directors of the non-United States-supported political organization;

(2) If the non-United States-supported political organization is affiliated with or a chapter of a national organization, the name of the national organization, its address, and the names and addresses of its officers and directors;

(3) A detailed statement of any expenditures of money or other things of value made by the non-United States-supported political organization within the prior calendar year to influence an agency or public official of this state, a local government entity within this state, or the public within this state, with reference to formulating, adopting, or changing the policies or laws of this state or electing a candidate to local or state public office; and

(4) A detailed statement of all money or other thing of value received by the non-United States-supported political organization from a non-United States entity or a representative of a non-United States entity during the prior calendar year.

(b) A non-United States-supported political organization under this subchapter shall update the registration statement required under this section no less frequently than quarterly.

21-8-1105. Penalties for violation.

(a) Upon receipt of a complaint that a representative of a non-United States entity or a non-United States-supported political organization has failed to comply with the registration and reporting requirements of this subchapter, or upon his or her own determination, the Secretary of State may investigate and assess penalties for the violation of this subchapter.

(b) The Secretary of State may assess the following civil penalties:

(1) For any violation of this subchapter, up to five hundred dollars (\$500) per violation; and

(2) For willful or repeated violations of this subchapter, up to two thousand dollars (\$2,000) per violation.

(c) The Secretary of State may assess the following civil penalties for willful or repeated violations of this subchapter in which the non-United States entity involves a hostile foreign nation:

(1) Up to ten thousand dollars (\$10,000) per violation;

and

(2) An order of debarment against the non-United States entity and the:

(A) Representative of the non-United States entity; or

(B) Non-United States-supported political organization.

(d) The Secretary of State may refer any matter involving a violation of this subchapter to the:

(1) Attorney General for further civil action; or

(2) Prosecuting attorney for criminal action.

21-8-1106. Rules.

The Secretary of State shall promulgate rules necessary to:

(1) Create and maintain registration statement forms as described under this subchapter; and

(2) Implement this subchapter."

"SECTION 1. DO NOT CODIFY. TEMPORARY LANGUAGE. Prescribed Pediatric Extended Care Pilot Program.

(a)(1) The Department of Human Services shall establish a Prescribed Pediatric Extended Care Pilot Program to provide specialized, nonresidential medical care for children with medically complex conditions.

(2) The pilot program shall:

(A) Operate in three (3) counties, strategically selected within the most densely populated counties of the state, as determined by the department;

(B) Function under a Section 1115 Medicaid Demonstration Waiver, allowing the Arkansas Medicaid Program to cover prescribed pediatric extended care services as an alternative to home health and private duty nursing;  
and

(C) Focus on the following objectives:

(i) Expand access to cost-effective, community-based pediatric extended care for children with medically complex conditions;

(ii) Reduce avoidable hospitalizations and emergency department visits for enrolled children;

(iii) Provide caregiver training and support services to

families, improving long-term health outcomes; and

(iv) Assess the feasibility of a permanent statewide pediatric extended care program.

(b)(1) The department shall apply for a Section 1115 Medicaid Demonstration Waiver to secure federal approval for the pilot program within six (6) months of the effective date of this act.

(2) The waiver application shall outline:

(A) The eligibility criteria for participating children, including children who require continuous skilled nursing care or therapeutic interventions;

(B) The Medicaid reimbursement mechanisms for prescribed pediatric extended care services;

(C) Methods to evaluate cost savings and health outcomes; and

(D) Any necessary adjustments to existing Medicaid benefits, including private duty nursing and home health services.

(c) Upon approval by the Centers for Medicare & Medicaid Services, the department shall implement the pilot program no later than January 1, 2027.

(d) To qualify for services under the pilot program, a child shall:

(1) Be under twenty-one (21) years of age;

(2) Be medically dependent or technologically dependent, as certified by a licensed physician;

(3) Require a level of care that would otherwise be provided in a hospital or skilled nursing facility; and

(4) Have a caregiver who consents to participation and engages in required training.

(e)(1) The department shall conduct an annual evaluation of the pilot program, assessing:

(A) Health outcomes of enrolled children;

(B) Cost-effectiveness compared to traditional Medicaid services; and

(C) Caregiver satisfaction and burden reduction.

(2) A comprehensive final report shall be submitted to the Governor and the General Assembly by December 31, 2030, with recommendations on whether to expand, modify, or terminate the pilot program.

(f)(1) The pilot program shall operate for a period of five (5) years unless extended by the General Assembly.

(2) If the department determines that the pilot program is not meeting its intended goals, the department may submit a request to Centers for Medicare & Medicaid Services to modify or terminate the waiver before the scheduled expiration

date.

(g) The department shall adopt rules necessary to implement the pilot program, including:

(1) Licensing and operational standards for prescribed pediatric extended care facilities;

(2) Medicaid reimbursement rates and provider enrollment requirements; and

(3) Data collection protocols for evaluating the pilot program effectiveness.

(h) The department may collaborate with pediatric hospitals, home health providers, and community organizations to facilitate the pilot program's success.

SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that this state lacks sufficient alternative care settings for children with medically complex conditions; that due to lack of sufficient alternative care settings, children with medically complex conditions often have unnecessary hospitalizations, which results in increased expenditures to the state and in the Arkansas Medicaid Program; that unnecessary hospitalizations in children can lead to preventable harm, including infections; and that this act is immediately necessary because increasing alternative care settings for children with medically complex conditions protects the health of the children of this state. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

"SECTION 1. DO NOT CODIFY. Legislative findings and intent.

(a) The General Assembly finds that:

(1) Child maltreatment investigations have at times led to the wrongful or mistaken allegation of child maltreatment against a parent or other caretaker when the child's symptoms that may, at first or superficial glance, appear to be manifestations of abuse or neglect, are actually the result of a medical condition that may or may not be known to the child's family, including genetic conditions that the parent himself or herself may unknowingly have;

(2) When such a child maltreatment investigation results in a child being removed from his or her home and placed in foster care, it may result in varying levels of trauma to the child, his or her siblings, his or her parent or parents, and other members of the child's family;

(3) A parent or other caretaker of a child who is wrongfully or mistakenly alleged to have caused or contributed to the abuse or neglect of a child

who is actually presenting symptoms of a medical condition that are not caused by abuse or neglect to the child may be subjected to not only separation from his or her child, but also threats to his or her liberty in the form of having a petition for dependency-neglect or a petition for termination of parental rights filed against him or her, or even having his or her name placed on the Child Maltreatment Central Registry or a criminal prosecution against him or her when there was not in fact child maltreatment or a criminal offense committed;

(4) These detrimental effects can cause loss of time, money, and mental and emotional wellbeing to many persons affected by the wrongful or mistaken allegation of child maltreatment; and

(5) Although the intent of the Child Maltreatment Act, § 12-18-101 et seq., is to protect children from maltreatment, wrongful or mistaken allegations of child maltreatment for symptoms of a medical condition may actually contribute to the child's suffering not only in the form of trauma, but also in that, if a child's underlying medical condition is overlooked or ignored, the child remains untreated for that medical condition and the parent or caretaker deprived of otherwise discovering and being able to provide for the proper medical care of his or her child.

(b) It is the intent of the General Assembly for this act to contribute not only to the protection of a wrongfully or mistakenly accused parent, but also the protection of the child, the family unit, and the overall integrity of the state's child welfare, hospital, and legal systems.

SECTION 2. Arkansas Code § 12-18-614 is amended to read as follows:

12-18-614. Submission to a physical exam or other testing.

(a) An investigation under this chapter may include a physical examination, a drug test, radiology procedures, photographs, and a psychological or psychiatric examination of all children subject to the care, custody, or control of the alleged offender.

(b)(1) If the report of child maltreatment or suspected child maltreatment alleges abuse as defined in ~~§12-18-103~~ § 12-18-103(3), the alleged offender may:

(A)(i) For the purpose of obtaining a second opinion, request that the alleged victim be examined by a licensed healthcare provider of the alleged offender's choosing who:

(a) Did not perform the initial examination, test, or procedure described under subsection (a) of this section; and

(b) Routinely provides medical care to pediatric patients.

(ii) An examination performed under subdivision (b)(1)(A)(i) of this section ~~shall~~:

(a) Shall be paid for by the alleged offender or as otherwise covered by insurance or Medicaid; and

(b) May be requested by the alleged offender regardless of whether the alleged victim has been taken into or placed in the custody of the Department of Human Services; and

(B)(i) For the purpose of ruling out a possible differential diagnosis, request that a licensed healthcare provider who routinely provides medical care to pediatric patients examine the alleged victim to determine ~~whether or not if~~ the alleged victim has ~~one (1) or more of the following medical conditions~~ a congenital cutaneous variant, bone fragility, a coagulation disorder, capillary fragility associated with a genetic disorder or that may be caused by a defect in the collagen elastin matrix, hyperextensible skin, multiple broken bones in various stages of healing and including without limitation classic metaphyseal lesions, blue or grey sclera, impaired bone mineralization, or another medical condition that may appear to be caused by suspected abuse or increase the risk of misdiagnosis of abuse as defined in § 12-18-103(3), including without limitation:

(a) Marfan's syndrome;

(b) Hypermobility spectrum disorders;

~~(a)(c)~~ Rickets;

~~(b)(d)~~ Ehlers-Danlos syndrome;

~~(c)(e)~~ Osteogenesis imperfecta;

~~(d)(f)~~ Vitamin D deficiency; or

~~(e)(g)~~ Another medical condition that may: Vitamin

K deficiency

~~(1) Appear to be caused by suspected abuse as defined in § 12-18-103; or~~

~~(2) Increase the risk of a misdiagnosis of abuse as defined in § 12-18-103.~~

(ii) An examination performed under subdivision (b)(1)(B)(i) of this section shall be paid for by the alleged offender or as otherwise covered by insurance ~~or Medicaid~~.

(iii) If the alleged victim undergoes genetic testing under subdivision (b)(1)(B)(i) of this section, the genetic testing shall include a complete family medical history even if the alleged victim's family members have not been diagnosed with a genetic condition, which shall include the licensed healthcare provider who routinely provides medical care to pediatric patients ascertaining if there is a family medical history of:

(a) Joint hypermobility;

(b) Sprains;

(c) Bruising;

(d) Connective tissue disorder or the physical manifestations of a connective tissue disorder; or

(e) Fractures, including without limitation the cause of each fracture and the age of the family member at the time of the fracture.

(2) A licensed healthcare provider examination under subdivision (b)(1) of this section shall not be requested for the purpose of obtaining a second opinion ~~on to determine whether or not~~ if an alleged victim has been a victim of: ~~sexual~~

(A) Sexual abuse; or

(B) Physical abuse when the alleged victim is:

(i) In a critical medical condition; or

(ii) Receiving life-sustaining medical treatment.

SECTION 3. Arkansas Code Title 12, Chapter 18, Subchapter 6, is amended to add an additional section to read as follows:

12-18-624. Right of parent, guardian, or custodian to medical records of child

— Definitions.

(a)(1) A court with jurisdiction may order a healthcare institution or practitioner to provide an alleged child victim's medical records to an alleged offender if the alleged offender:

(A) Has been accused of physical abuse; and

(B) Is a parent, putative parent, guardian, or custodian of the alleged victim.

(2) A court with jurisdiction may enter a protective order restricting the dissemination of the medical records or from making any use of the medical records other than for purposes of a specific case before the court.

(3) Medical records shall include hospital or clinic records, physicians' records, or other healthcare records, including without limitation:

(A) An admissions form, discharge summary, history and physical exam records, progress notes, physicians' orders, reports of operations, recovery room records, lab reports, consultation reports, medication administration records, nurses' notes, and other reports catalogued and maintained by the medical records department of a hospital, doctor's office, medical clinic, or any other medical facility; and

(B) A paper entry, electronic entry, or image that is:

(i) Captured in relation to a diagnosis, treatment, or other service provided to a child; or

(ii) Relied upon by a healthcare provider to diagnose or

provide treatment or other services to a child.

(4) A healthcare institution or provider shall redact the alleged child victim's address, phone number, email address, and other information regarding the alleged child victim's foster placement before providing medical records under this section.

(5) A healthcare institution or provider that fails to provide medical records under this section pursuant to a valid court order may be held in contempt of court under § 16-10-108.

SECTION 4. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that "Quincy's Law", Acts 2021, No. 976, is a crucial protection for persons who are the subject of an investigation under the Child Maltreatment Act, § 12-18-101 et seq.; that since the enactment of Quincy's Law in 2021, an additional need for further protections under Quincy's Law has been demonstrated, most notably to provide further clarity in child maltreatment investigations involving differential diagnoses that may present as possible child abuse without additional testing that the provisions in this act make available; that this act is needed not only to protect wrongfully accused parents, but also to assist a parent who may not be aware of his or her child's condition and be given the opportunity to provide his or her child necessary medical treatment; that this act is also urgent to protect families from undergoing unnecessary trauma related to family separation and wrongful or mistaken allegations of child maltreatment that are actually manifestations of medical conditions; and that numerous child maltreatment investigations are taking place at any given time, and thus there is an urgent need for the provisions in this act to become effective. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

(2) Each day of a continuing violation may be deemed a separate violation for purposes of civil penalty assessment.

(3) No civil penalty may be assessed until the person charged with the violation has been given the opportunity for a hearing in accordance with rules adopted by the commission.

(iii) If a permit is issued after a public hearing, the person shall be subject to maximum fines for all subsequent violations.

SECTION 3. Arkansas Code § 8-4-204 is amended to read as follows:

8-4-204. Permits — Revocation.

(2) Obtaining a permit by misrepresentation or failure to disclose fully all relevant facts; or

(3) A change in any applicable regulation or a change in any preexisting condition affecting the nature of the discharge that requires either a temporary or permanent reduction or elimination of the permitted discharge.

SECTION 4. Arkansas Code § 8-4-205(b), concerning hearings for denials, revocations, modifications, and other permit actions relating to water pollution, is amended to read as follows:

(b)(1) ~~Only~~ Except as provided in subdivision (b)(4) of this section, only those interested persons, other than the applicant, that have submitted comments on the record regarding a proposed permit action during the public comment period shall have standing to request a hearing by the commission in connection therewith, upon written application made within thirty (30) days after the date of the Division of Environmental Quality's final decision regarding the permit action.

(2) No interested party requesting a hearing under this subsection may raise any issue in the hearing that was not raised in the public comments unless the party raising the issue shows good cause why such issue could not, with reasonable diligence, have been discovered and presented during the public comment period. The limitation in this subdivision (b)(2) shall not restrict the issues that may be addressed by the applicant in any appeal.

(3) A request for a hearing shall identify the permit action in question

and its date and must include a complete and detailed statement identifying the legal and factual objections to the permit action.

(4)(A) If an applicant wishes to regain a land application permit suspended under § 8-4-203(c)(1)(G), the division shall hold a public hearing to allow the public within a five-mile radius of the disposal site to comment and raise concerns in addition to any requested hearing by the commission.

(B) The public hearing shall be held within thirty (30) days of the suspension under § 8-4-203(c)(1)(G).

(C) The division shall:

(i) Consider public comments and make a final determination regarding the permit within forty-five (45) days after the public comment period has ended; and

(ii) Use its discretion to determine further action including without limitation releasing permit activities from suspension, assessing fines and penalties, additional requirements to demonstrate a return to compliance, modifications to permit, and termination or revocation of permit.

SECTION 5. DO NOT CODIFY. Industrial waste land application rules.

(a)(1) The Division of Environmental Quality shall promulgate a rule to authorize no-discharge land application permits of industrial waste within one hundred twenty (120) days of the effective date of this act.

(2) The rule described under subdivision (a)(1) of this section shall:

(A) Include that the addition of land to existing land application permits is a minor modification; and

(B) Require:

(i) Surface land application to cease twenty-four (24) hours before a reasonably anticipated forecasted precipitation event as determined by the division; and

(ii) Subsurface injection to cease when reasonably anticipated precipitation begins.

(3) Until the rule described under subdivision (a)(1) of this section is effective, the division shall continue the same processes and procedures regarding land application permits.

(b) The division shall issue or deny a land application permit application within one hundred eighty (180) days after the submittal of the permit application."

PRICING APPROACH AND COMMENTS

House Bill 1930 establishes minimum reimbursement level for healthcare services as described in "Subchapter 19 - Minimum Reimbursement Rates for Healthcare Services". In the definitions section, 4(C) (xi) states a "health benefit plan" does not included: a policy, contract, certificate, or agreement offered or issued by a healthcare insurer to provide, deliver, arrange for, pay for, or reimburse any of the costs of healthcare insurer to provide, deliver, arrange for, pay for, or reimburse any of the costs of healthcare services, including pharmacy benefits, to an entity of the state. Our interpretation is that EBD is therefore excluded, and this bill would have no impact on their cost.

Representative Hawk moved that the House concur in the following Senate Amendment.

## Fiscal Imprint Statement for SB168

To whom it may concern:

The Arkansas Department of Health (ADH) was requested to provide a fiscal impact statement on SB168. The ADH estimates the fiscal impact to be as stated when asked in the House Public Health, Welfare, and Labor Committee. The estimated implementation cost for a state examination is \$10,000.00. This amount is an estimate only and should not exceed this amount. This will be the cost directly to the department.

There will be a cost for each individual taking the examination, which will be paid by the individual taking the exam. The cost is estimated to be \$100.00 per person taking the exam, but it could be less. This amount is also an estimate and will be paid by the individual taking the exam.

Subchapter 11 — Disclosure by Representatives of a Hostile Foreign  
Principal

21-8-1101. Legislative findings.

The General Assembly finds that:

(1) The voters, citizens, and policymakers of this state are entitled to transparency in the political and propaganda activities of organizations that may be controlled by or under the influence of foreign countries hostile to the interests of this state and of the United States;

(2) In an increasingly globalized world, determining whether an organization's political and propaganda activities are funded by hostile foreign interests is often difficult; and

(3) Legislation is needed to ensure the transparency necessary to allow voters, citizens, and policymakers to evaluate whether political and propaganda activities are funded by potentially hostile foreign actors.

21-8-1102. Definitions.

As used in this subchapter:

(1) "Foreign-supported political organization" means a political party or

a domestic partnership, association, corporation, organization, or any other combination of persons that has, within the past five (5) calendar years, received money or other things of value from a hostile foreign principal or a representative of a hostile foreign principal and that engages in political activity;

(2) "Hostile foreign nation" means the:

(A) People's Republic of China;

(B) Russian Federation;

(C) Democratic People's Republic of Korea; or

(D) Islamic Republic of Iran;

(3) "Hostile foreign principal" means:

(A) A government of a hostile foreign nation, a political party of a hostile foreign nation, or any member of a political party of a hostile foreign nation;

(B) A nonresident alien of a hostile foreign nation; or

(C) A partnership, association, corporation, organization, or other combination of persons organized under the law of or having its principal place of business in a hostile foreign nation;

(4) "Political activity" means an activity that is performed to influence an agency or public official of this state, a local government entity within this state, or the public within this state, with reference to:

(A) Formulating, adopting, or changing the policies or laws of this state; or

(B) Electing or opposing a candidate for local or state public office, not including campaign donations; and

(5) "Representative of a hostile foreign principal" means a person:

(A) Who acts as an agent, employee, representative, or servant, or otherwise acts at the order, request, or under the direction or control of a hostile foreign principal;

(B) Whose actions are financed in whole or in part by a hostile foreign principal; and

(C) Who engages in political activity.

21-8-1103. Transparency in representation of hostile foreign principals.

(a)(1) Except as otherwise provided in this subchapter, a person shall not act as a representative of a hostile foreign principal unless the person has filed a true and complete registration statement with the Secretary of State as required by this subchapter.

(2) Except as otherwise provided in this section, a person who becomes a representative of a hostile foreign principal shall file a registration statement under oath with the Secretary of State within ten (10) days of the person's

becoming a representative of a hostile foreign principal.

(3) The obligation of a representative of a hostile foreign principal to file a registration statement, after the tenth day of becoming a representative of a hostile foreign principal, shall continue from day to day, and termination of status as a representative of a hostile foreign principal shall not relieve the representative of a hostile foreign principal from the obligation to file a registration statement for the period during which he or she was a representative of a hostile foreign principal.

(b) The registration statement required under this section shall include the following:

(1) The registrant's:

(A) Name;

(B) Principal business address;

(C) Other business addresses in the United States or elsewhere; and

(D) Residence addresses, if any; and

(2) A comprehensive statement of the nature of the registrant's business.

(c) A registered representative of a hostile foreign principal under this subchapter shall update the registration statement required under this section no less frequently than quarterly.

#### 21-8-1104. Transparency in foreign-supported political organizations.

(a) No later than January 31, 2026, and each following year, each foreign-supported political organization shall register with the Secretary of State and provide the following information:

(1) The name of the foreign-supported political organization, its business address, and upon request the names, titles, and addresses of all officers and directors of the foreign-supported political organization;

(2) If the foreign-supported political organization is affiliated with or a chapter of a national organization, the name of the national organization, its address, and the names and addresses of its officers and directors;

(3) A detailed statement of any expenditures of money or other things of value made by the foreign-supported political organization within the prior calendar year to influence an agency or public official of this state, a local government entity within this state, or the public within this state, with reference to formulating, adopting, or changing the policies or laws of this state or electing a candidate to local or state public office; and

(4) A detailed statement of all money or other thing of value received by the foreign-supported political organization from a hostile foreign principal or a

representative of a hostile foreign principal during the prior calendar year.

(b) A foreign-supported political organization under this subchapter shall update the registration statement required under this section no less frequently than annually.

21-8-1105. Penalties for violation.

(a) Upon receipt of a complaint that a representative of a hostile foreign principal or a foreign-supported political organization has failed to comply with the registration and reporting requirements of this subchapter, or upon his or her own determination, the Secretary of State may investigate and assess penalties for the violation of this subchapter.

(b) The Secretary of State may assess the following civil penalties:

(1) For any violation of this subchapter, up to five hundred dollars (\$500) per violation; and

(2) For willful or repeated violations of this subchapter, up to two thousand dollars (\$2,000) per violation.

21-8-1106. Rules.

The Secretary of State shall promulgate rules to:

(1) Create and maintain registration statement forms as described under this subchapter; and

(2) Implement this subchapter."

SENATE BILL NO. 569

---

BY: SENATOR M. JOHNSON

**For An Act To Be Entitled**

AN AMENDMENT TO ARKANSAS CONSTITUTION, ARTICLE 5, SECTION 1, TO REQUIRE THAT THE BALLOT TITLE OF A PROPOSED MEASURE BE READABLE, CLEAR, AND CONCISE AND NOT EXCEED FIVE HUNDRED WORDS; TO AMEND THE ARKANSAS CONSTITUTION UNDER THE AUTHORITY OF ARKANSAS CONSTITUTION, ARTICLE 5, SECTION 1; AND FOR OTHER PURPOSES.

**Subtitle**

AN AMENDMENT TO ARKANSAS CONSTITUTION, ARTICLE 5, SECTION 1, TO REQUIRE THAT THE BALLOT TITLE OF A PROPOSED MEASURE BE READABLE, CLEAR, AND CONCISE AND NOT EXCEED FIVE HUNDRED WORDS; TO AMEND THE ARKANSAS CONSTITUTION UNDER THE AUTHORITY OF ARKANSAS CONSTITUTION, ARTICLE 5, SECTION 1; AND FOR OTHER PURPOSES.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

SECTION 1. DO NOT CODIFY. LEGISLATIVE INTENT.

(a) The General Assembly finds:

- (1) Arkansas Constitution, Article 5, § 1, provides that "[n]o measure approved by a vote of the people shall be amended or repealed by the General Assembly. . . except upon a yea and nay vote on roll call of two-thirds of all the members elected to each house of the General Assembly. .";
- (2) Arkansas Constitution, Article 5, § 1, defines "measure" to include any bill, law, resolution, ordinance, charter, constitutional amendment or legislative proposal or enactment of any character;
- (3) The plain language of the definition of "measure" in Arkansas Constitution, Article 5, § 1, clearly includes amendments to the Arkansas Constitution, meaning that the General Assembly may amend amendments to the Arkansas Constitution with a two-thirds vote of each house;
- (4) Despite observing that the definition of "measure" in Arkansas Constitution, Article 5, § 1 includes "constitutional amendment(s) 'or legislative

proposals of any character", the Supreme Court in *Arkansas Game and Fish Commission v. Edgmon*, 218 Ark. 207, 235 S.W.2d 554 (1951), declined to construe the language literally and held that the General Assembly lacked the power to amend or repeal amendments to the Arkansas Constitution by a two-thirds vote of each house;

(5) In *Board of Trustees of the University of Arkansas v. Andrews*, 2018 Ark. 12 (2018), the Supreme Court overturned years of precedent by holding that the General Assembly cannot waive by law the state's sovereign immunity granted by Arkansas Constitution, Article 5, § 20;

(6) In reaching its decision in *Andrews*, supra, the Supreme Court held that the language of Arkansas Constitution, Article 5, § 20, should be interpreted "precisely as it reads"

(7) In *Buonaiuto v. Gibson*, 2020 Ark. 352, the Supreme Court noted that the phrase "four-lane highway" as used in Arkansas Constitution, Amendment 91, had been "given a specific meaning that is plain and unambiguous" and thus funds under Arkansas Constitution, Amendment 91, could not be used to improve six-lane portions of interstate highways; and

(8) An interpretation of Arkansas Constitution, Article 5, § 1, "precisely as it reads" clearly leads to the conclusion that the General Assembly may amend all measures, including constitutional amendments, by a two-thirds vote of each house, as the term "measure" has been given a plain and unambiguous definition in Arkansas Constitution, Article 5, § 1.

(b) By the passage of this act, the General Assembly expresses its belief that, upon consideration of this act using the standard of review established in *Andrews*, supra, the Supreme Court will:

(1) Interpret Arkansas Constitution, Article 5, § 1, precisely as it reads in consideration of its plain and unambiguous language;

(2) Overturn its decision in *Edgmon*, supra, as inconsistent with 35 its holding in *Andrews*, supra, and *Buonaiuto*, supra; and

(3) Uphold the constitutional authority of the General Assembly under Arkansas Constitution, Article 5, § 1, to amend or repeal amendments to the Arkansas Constitution by a two-thirds vote of each house.

SECTION 2. Pursuant to the authority under Arkansas Constitution, 5 Article 5, § 1, the subsection of Arkansas Constitution, Article 5, § 1, titled "Title" is amended to read as follows:

Title. At the time of filing petitions the exact title to be used on the ballot shall by the petitioners be submitted with the petition, and on state-wide measures, shall be submitted to the State Board of Election Commissioners, who shall certify such title to the Secretary of State, to be placed upon the ballot; on county and municipal

measures such title shall be submitted to the county election board and shall by said board be placed upon the ballot in such county or municipal election. The title shall be readable, clear, and concise and shall not exceed five hundred (500) words. The General Assembly may enact laws establishing a standard for the readability of the title.

Was read the third time and placed on final passage, the question being shall the Bill pass. The vote was as follows:

AFFIRMATIVE: Achor, Andrews, Beck, Bentley, A. Brown, K. Brown, N. Burkes, R. Burkes, John Carr, Duke, Eubanks, J. Gonzales, Gramlich, Hollowell, Ladyman, Lundstrum, Lynch, McClure, McCollum, McGrew, McKenzie, Meeks, Nazarenko, Pilkington, Ray, S. Richardson, Rose, M. Shepherd, Torres, Underwood, Unger, Wing.

***JOINT PROCLAMATION***

WHEREAS, House Concurrent Resolution No. 1006 (HCR 1006) of the Regular Session of the Ninety-Fifth General Assembly provided for a recess of the Regular Session on or before April 16, 2005; and,

WHEREAS, HCR1006 authorized the Speaker of the House and the President Pro Tempore of the Senate, by Joint Proclamation, to reconvene the General Assembly at any time before 12:00 noon, May 5, 2025, to consider vetoes, correct errors and oversights, complete work on proposed constitutional amendments, consider the need for further extension of the Regular Session, or to adjourn sine die.

NOW THEREFORE, We, the undersigned Speaker of the House and President Pro Tempore of the Senate, pursuant to provisions of HCR 1006, hereby direct that the Regular Session of the Ninety-Fifth General Assembly shall reconvene at **10:00 a.m. on Monday, May 5, 2025**, to address any issues mentioned above and adjourn sine die.

IN WITNESS WHEREOF, We have hereunto set our hands and caused the Great Seal of the State of Arkansas to be affixed at the State Capitol in Little Rock, on this 30<sup>th</sup> day of April in the year of our Lord, Two Thousand Twenty-Five.

Speaker of the House of Representatives

/s/ Bart Hester

President Pro Tempore, Senate

**Speaker Brian S. Evans**  
**Address to General Assembly**  
**May 5, 2025**

As we bring this session to a close, I want to take a moment to reflect on the work we've done together—and more importantly, the impact that work will have on the people of Arkansas.

Arkansans should be proud.

Over these past months, we've rolled up our sleeves and met the moment with dedication and purpose. We worked late into the night—more than a few times. We debated, we disagreed, we discussed, and we collaborated. We thoroughly vetted legislation, brought diverse perspectives to the table, and made good bills even better.

This General Assembly can stand tall knowing that the laws we passed this session will shape the future of our state for generations. Together, we took bold action to improve maternal health across Arkansas. We ensured that every public-school student can begin their day with a free breakfast, because no child should be too hungry to learn.

We reformed our higher education system to make it more responsive, more effective, and more accessible. We passed legislation to protect our children from the dangers of social media—recognizing that their well-being must always come first. And we strengthened our commitment to those who have served this country by establishing a new committee focused on veteran and military affairs—ensuring that we serve our veterans with the honor and respect they deserve.

It's no secret that we didn't always see eye to eye. There were passionate debates. There were tense moments. But that's the nature of democracy. And through it all, we never lost sight of who we were here to serve. In the end, we came together and did what was expected of us—what Arkansans sent us here to do.

So as we adjourn today, I want to thank each of you—for your service, your sacrifice, and your steadfast commitment to our state. It has been an honor to serve alongside you in this chamber.

May we leave here today taking pride in our work, respect for one another, and a shared belief in the promise of Arkansas.

The House stood in recess at 10:21 a.m. until 10:26 a.m.

After communicating with the Senate and determining there is no further business necessary to come before the Regular Session of the 95<sup>th</sup> General Assembly, in accordance with the provisions of **HOUSE CONCURRENT RESOLUTION NO. 1006** and the Joint Proclamation, the House of Representatives is hereby adjourned sine die.

To President Pro Tempore Hester and Speaker Evans

Pursuant to my authority under Article 6, Section 17 of the Arkansas Constitution, I write to inform you of my disapproval of Section 1, Page 4, Line 17 of House bill No. 1265, "An Act for the University of Arkansas at Little Rock" I have approved the remaining portions of House Bill No. 1265.

House Bill No. 1265 contains one position entitled "Dir. of Institute on Race & Ethnicity" with a maximum salary of \$191,605.

This session I championed Arkansas ACCESS, my plan to make college more accessible for all and get indoctrination out of college classrooms. Arkansas will not waste nearly \$200,000 in taxpayer dollars on DEI administrators who promote woke nonsense.

To Speaker Evans:

Pursuant to my authority under Ark. Const. Art. 6 § 15, I am returning without my approval House Bill No. 1961, entitled "An Act to Allow Medical Providers Temporary Exemptions from Federal Information-Blocking Regulations to Safeguard Patients During Information Disclosure; To Provide Therapeutic Privilege for Medical Providers Under Certain Circumstances; To Declare an Emergency; And for other Purposes."

Individuals have a right to access personal medical information, including medical imaging, test results, and other health records, in a timely fashion. Because this bill may, in some cases, unduly delay the release of such information to patients who are entitled to it, I am vetoing this legislation.

To Speaker Evans:

Pursuant to my authority under Ark. Const. Art. 6 § 15, I am returning without my approval House Bill No. 1889, entitled "An Act to Amend the Limitations on Access to a Dispensary or Cultivation Facility; To Authorize a Dispensary to Deliver Orders via a Delivery Vehicle or Via a Drive-Through Window."

This legislation would expand access to usable marijuana by allowing the sale of such products through drive through windows. Drive-through access creates unnecessary risk and would allow for the potential disbursement of marijuana to unauthorized parties. Therefore, I am vetoing this legislation.

Dear President Pro Tempore Hester and Speaker Evans:

Pursuant to my authority under Ark. Const. Art. 6 § 15, I am returning without my approval Senate Bill No. 451, entitled "To require the Department of Human Services and the Department of Education to establish regional behavioral health programs; to amend the law concerning the education of certain students; and to declare an emergency."

School administrators, teachers, and principals are increasingly managing student behavioral issues, including aggression and violence. These issues cause disruptions in the academic environment, distracting from schools' core function: a safe environment where all students can learn. Without sufficient interventions, these issues will continue to distract from our focus on academic improvement. While I applaud the intent and goal of this legislation, I don't think it addresses this issue in the targeted way we need without taking away from ongoing efforts. Therefore, I am vetoing this legislation.

I have directed the Secretaries of the Department of education and the Department of Human Services to work with interested parties to come up with a solution that is more tailored to the needs of our local public schools.

Sincerely,
